

Thank you for purchasing the **Latitude Low Dresser**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

Note: 2 people are required to safely assemble this product.

hardware

32 - screws

12 - bolts

12 - wood dowels

Missing hardware?
Please call **800.606.6387** for replacements.

tools required

Phillips head screwdriver

(We recommend the use of hand tools instead of power tools)

cleaning and care

Clean surfaces with a dry or damp soft cloth. Do not use abrasive cleaners. Do not use furniture wax or polish as the unit is finished with a protective clear lacquer.

1 - bottom left
drawer front

1 - top right
drawer front

1 - bottom right
drawer front

NOTE: Make sure grooves of each panel are assembled on the same side

NOTE: Do not over tighten the bolts

NOTE: Make sure drawer glides slide out away from grooves as shown

1 A. Insert 6 **wood dowels** into **top panel** as shown.
B. Fit dowels of **top panel** into corresponding holes of **right/left side panels and partition** as shown. Secure, but do not over tighten, with 6 **bolts**, using a **phillips head screwdriver**.

2 Insert **back panel** into grooves of assembly as shown.

3 A. Insert 6 **wood dowels** into **right/left side panels and partition** as shown.
B. With assistance of another adult, fit dowels of assembly into corresponding holes of **bottom panel** as shown. Secure bottom panel, but do not over tighten, with 6 **bolts**.

4 Fit pre-assembled dowels of **top left drawer front** into corresponding holes of **left drawer side** as shown. Secure, but do not over tighten, with 2 **screws** using a screwdriver.

5 Insert **drawer bottom** into grooves of drawer assembly as shown.

6 Fit **drawer bottom** into groove of **drawer back** and secure drawer back with **2 screws** as shown.

7 Repeat steps 4-7 for remaining drawer assemblies (top right, bottom left, bottom right drawer fronts).

8 With assistance of another adult, insert glides of **top left/right and bottom left/right drawer assemblies** into corresponding glides of case assembly. Keeping the drawer level, carefully push the drawer until it is all the way in the case and glides are securely engaged. Assembly is now complete.

NOTE: Make sure to keep drawer level so as not to damage glides during assembly

NOTE: Make sure glides are pulled out of the case, and ball bearings are at the front of the extended glides

TL = top left drawer
TR = top right drawer
BL = bottom left drawer
BR = bottom right drawer
