

Thank you for purchasing the **Smart C Table**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

tools required

allen wrench (included)

components

NOTE: Do not over tighten the bolts

NOTE: Make sure holes of each bracket are positioned towards the bottom during assembly

A bracket

left and right side frames

x 2

B leveler

1

A. Place **left and right side frames** onto a clean, padded surface. Attach 3 **brackets** to **left and right side frames** with 1 **bolt** and 1 **spring washer** per bracket as shown. Secure, but do not over tighten, bolts using an **allen wrench**.

B. Attach 2 **levelers** to **left and right side frames** by turning each leveler clockwise.

A

B

crossbar

left side frame

2

A. Fit 3 **crossbars** over **brackets** of **left side frame** as shown.

B. Secure each **crossbar** to **left side frame** with 1 **bolt**.

3

A right side frame

B

A. Fit **brackets** of **right side frame** into **crossbars** as shown.

B. Secure each **crossbar** to **right side frame** with 1 **bolt**.

4

B tabletop

A bumper

A. Place assembled unit upright. Adhere 4 **bumpers** to the assembled frame as shown.

B. Carefully place **tabletop** onto **frame**. Make sure tabletop is securely supported by frame/bumpers. Assembly is now complete.

method to adjust levelers on table

NOTE: Please do the following if your table is not level.

With the assistance of another adult, adjust levelers of each leg as necessary.

cleaning & care

Use a slightly damp cloth to wipe the table. Do not use harsh cleaning agents as this may scratch the surface.
