

3 prong COAT RACK

Thank you for purchasing the **3 Prong Coat Rack**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

components

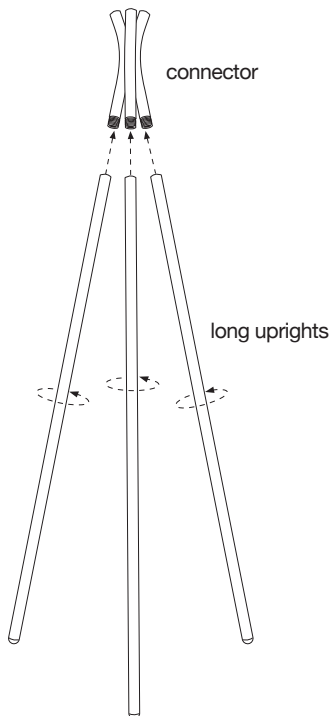

1 - connector

3 - short uprights

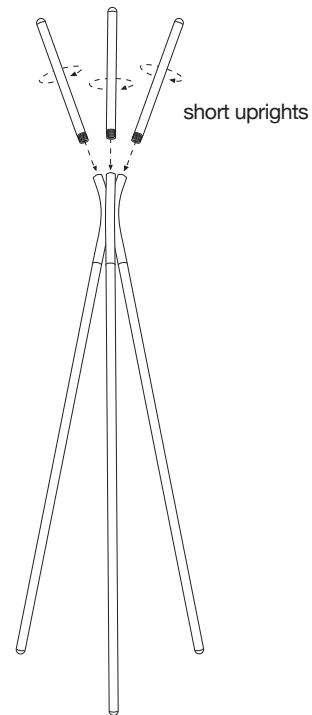

3 - long uprights

1

Attach 3 **long uprights** to **connector** by turning each long upright counterclockwise to secure.

2

Attach 3 **short uprights** to **connector** by turning each short upright clockwise to secure. Assembly is now complete.

cleaning and care weight limitations

Do not use polishes or cleaners on your coat rack. Dust surfaces with a dry soft cloth.

This item is able to support up to a total of 60 lbs evenly distributed, with max of 20 lbs per hook.
