element CONSOLE TABLE

CB2

Thank you for purchasing the **Element Console Table.** This page lists all the contents included in the box. Please take the time to identify the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.
Note: 2 people are required to safely assemble this product

warning
Never try to assemble the unit upside down. Do not stand or sit on the console.

## hardware

4 - metal washers

4 - rubber washers

4 - bolts

Missing hardware?
Please call **800.606.6387** for replacements.

tools required
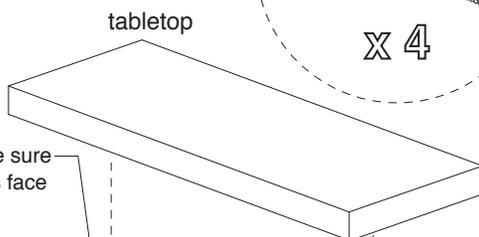

allen wrench (included)

components

1 - tabletop

2 - legs

NOTE: Do not over tighten the bolts

tabletop

X 4

NOTE: Make sure holes of legs face in as shown

NOTE: Make sure label that reads "THIS SIDE FACE OUT" faces out

leg

A) With the assistance of another adult, position 2 **legs** upright as shown. Fit **tabletop** onto legs. Make sure tabletop is securely supported by each leg.
B) Secure tabletop to legs with 2 **rubber washers**, 2 **metal washers** and 2 **bolts** per side. Secure, but do not over tighten, the bolts using an **allen wrench**. Assembly is now complete.

cleaning & care

Treat the surface on a regular basis with a transparent stone floor wax. Cement is sensitive to all kind of spills and extremely pourous, so remove spills immediately with a dry cloth. Use coasters to protect from heat and water. If used outdoors, keep covered when not in use to protect against staining from pollution and rain. Store the table inside during the winter in a cool, dry place. Be aware that color and natural veining will vary with each piece. Clean surfaces with a dry or damp cloth. Do not use abrasives or cleaners with citric acid. Please protect the surface when using markers. Staining may occur when oils or liquids with artificial coloring come in contact directly with the porous surface.

caution

Exposure to direct sunlight may alter the color.
