

Thank you for purchasing the **Butler Stand**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

Note: 2 people are recommended to safely assemble this product.

hardware

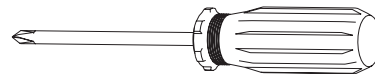

2 - large bolts

8 - small bolts

Missing hardware?
Please call **800.606.6387** for replacements.

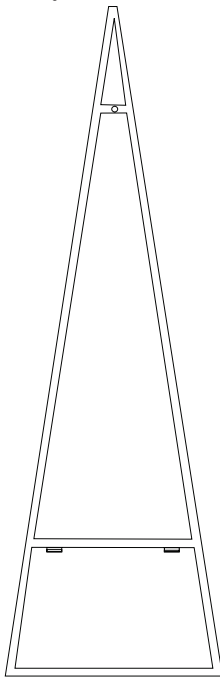

tools required

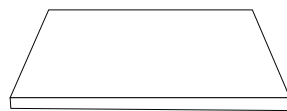

phillips head screwdriver

(We recommend the use of hand tools instead of power tools)

components

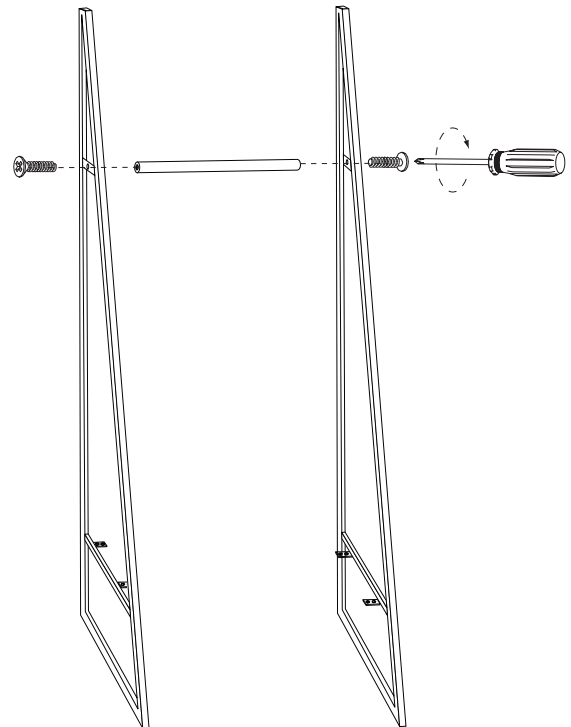

2 - side frames

1 - seat panel

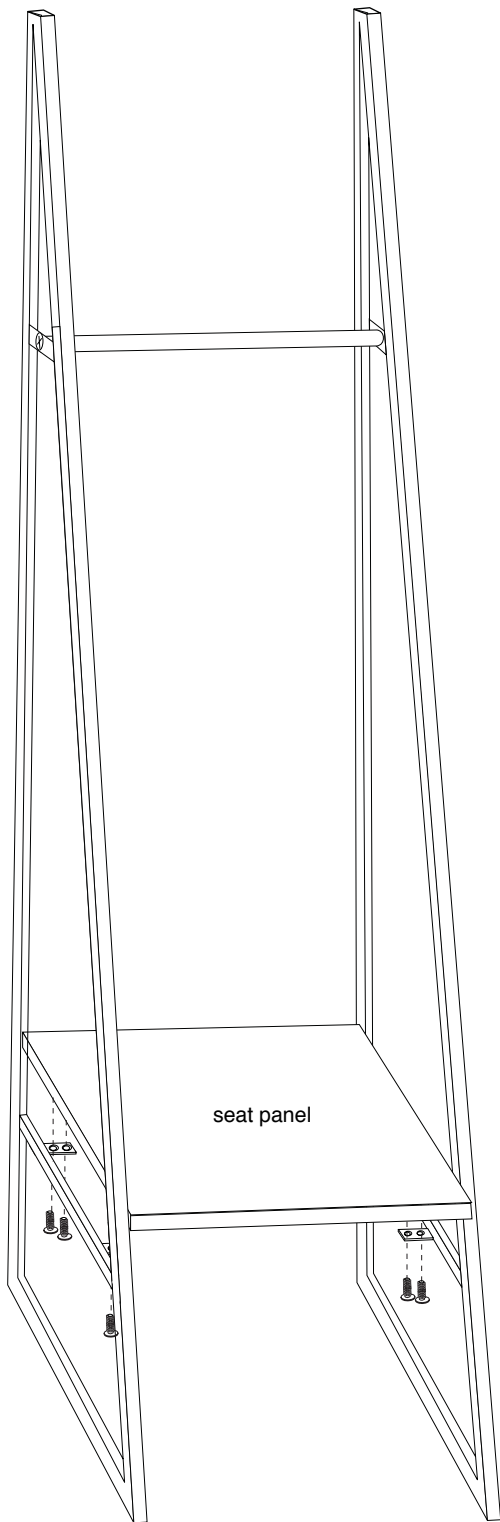

1 - crossbar

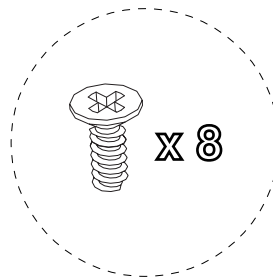

1

With assistance of another adult, attach **crossbar** to 2 **side frames** with 2 **large bolts**. Secure each bolt with a **phillips head screwdriver**.

Note: Do not over tighten the bolts

cleaning and care

Clean surfaces with a dry or damp soft cloth. Do not use abrasive cleaners. Periodically check fasteners and tighten as necessary.

2

Fit **seat panel** into position over mounting tabs as shown. Secure seat panel to frame assembly with **8 small bolts**. Secure, but do not overtighten bolts with a screwdriver. Assembly is now complete.
