

Thank you for purchasing the **Diego Barstool (24" and 30")**. This page lists all the contents included in the box. Please take time to identify the hardware as well as the individual components of this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

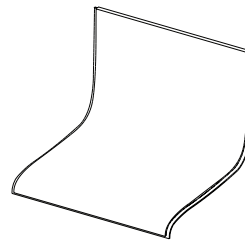

hardware

4 - screws

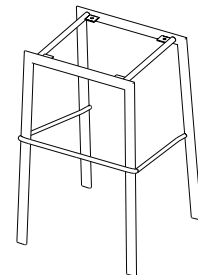

Missing hardware?
Please call 800.606.6387 for replacements.

components

1 - seat

1 - leg frame

tools required

Allen Wrench (included)

assembly

A) Place **seat** upside down as shown. Align holes in **leg frame** over holes in bottom of seat, making sure arrow label points forward as shown.

B) Loosely insert 4 **screws** through holes in leg frame into seat.

C) Make any necessary adjustments to the seat and frame position and then fully tighten all 4 screws with the **allen wrench**. Turn the barstool over.

NOTE: Screws should be periodically tightened.

Assembly is now complete.
