

Thank you for purchasing the **Fujiya Floor Lamp**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.

hardware

2 - washers

2 - bolts

Missing hardware?

Please call **800.606.6387** for replacements.

tools required

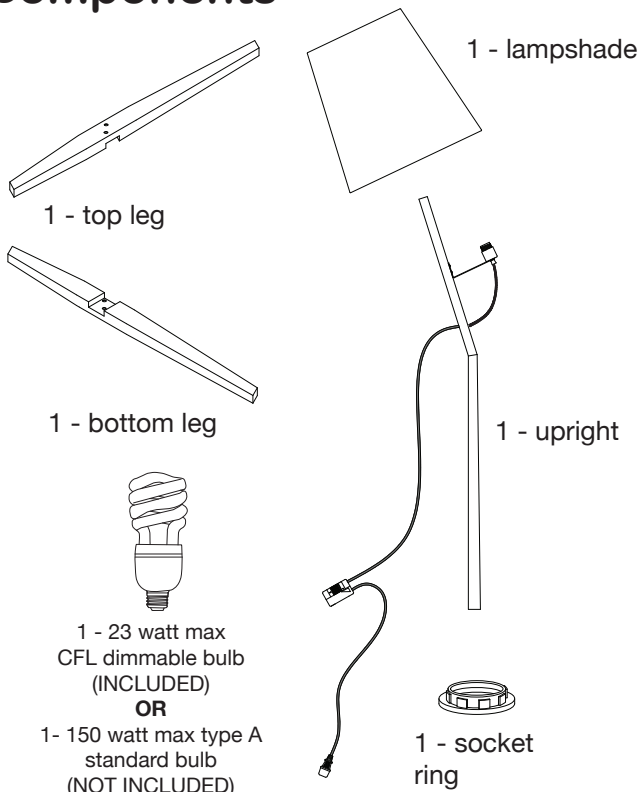

allen wrench
(included)

(We recommend the use of hand tools instead of power tools)

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to override this safety feature.

components

1

Place **bottom leg** onto a clean, padded surface. Fit notch of **top leg** into corresponding notch of **bottom leg** as shown.

NOTE: Do not over tighten the bolts

2 Attach **upright** to assembled *base* with 2 **washers** and 2 **bolts** as shown. Secure, but do not over tighten the bolts, using an **allen wrench**.

1 - 23 watt max
CFL dimmable bulb
(INCLUDED)
OR
1- 150 watt max type A
standard bulb
(NOT INCLUDED)

3 A. Attach lampshade to socket of **upright** with 1 **socket ring** as shown.
B. Install 1 **bulb** (included) into **socket**.
Assembly is now complete.

cleaning & care

Do not use polishes or cleaners on your lamp.
Dust surfaces with a dry soft cloth.
