

Thank you for purchasing the **Fuze Dining Table**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.  
 Note: 2 people are required to safely assemble this product.

**hardware**

8 - bolts

Missing hardware?  
 Please call **800.606.6387**  
 for replacements.

**components**

1 - tabletop

1 - base

**1**

With the assistance of another adult, place **base** upright so holes are positioned as shown. Fit **tabletop** onto **base**, making sure holes of tabletop and base are aligned. Insert 8 **bolts** into tabletop and through base to secure.

Assembly is now complete.

**cleaning & care**

Treat the surface on a regular basis with a transparent stone floor wax. Cement is sensitive to all kind of spills and extremely porous, so remove spills immediately with a dry cloth. Use coasters to protect from heat and water. If used outdoors, keep covered when not in use to protect against staining from pollution and rain. Store the table inside during the winter in a cool, dry place. Be aware that color and natural veining will vary with each piece. Clean surfaces with a dry or damp cloth. Do not use abrasives or cleaners with citric acid. Please protect the surface when using markers. Staining may occur when oils or liquids with artificial coloring come in contact directly with the porous surface. **CAUTION:** Exposure to direct sunlight may alter the color.
