### WALL ATTACHMENT INSTRUCTIONS

NOTE: When properly installed, this wall bracket may provide protection from unexpected tipping of shelf due to bumping or shaking. To avoid injury due to these instances, use of wall brackets are recommended.

Although basic wall mounting hardware is included, be sure the use the proper hardware for your wall type. When in doubt, please consult your local hardware store.

- A. With the assistance of another adult, place the unit in desired location against the wall. Mark the location of the hole in the **bracket** of the wall. Move the bookcase out of the workspace.
- B. Drill holes slightly smaller in diameter than the **plastic anchors**. Insert the **plastic anchor** into the holes until they are flush to the wall.
- C. Attach 1 **bracket** to each **plastic anchor** with 1 **screw**. Secure, but do not over tighten, screw with a **phillips head screwdriver**.
- D. Remove 2 **bolts** and 2 **nuts** from bookcase. Position bookcase in between 2 **brackets** on the wall. Secure 2 **brackets** to bookcase with 2 **bolts** and 2 **nuts** as shown.

Wall mounting installation is now complete.
