

Thank you for purchasing the **Outback Rocking Chair**. This page lists all the contents included in the box. Please take the time to identify the hardware as well as the individual components to this product. As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.  
Note: 2 people are recommended to safely assemble this product.

## hardware

2 - small bolts

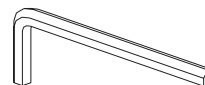

6 - medium bolts

4 - large bolts

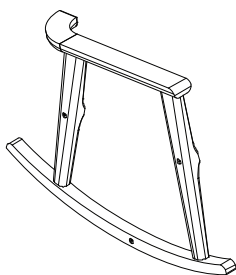

Missing hardware?  
Please call **800.606.6387** for replacements.

## tools required

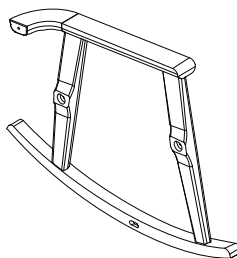

allen wrench (included)

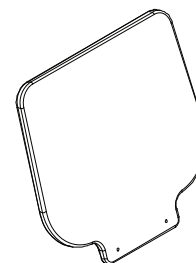

## components

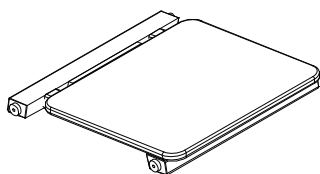

1 - left side frame

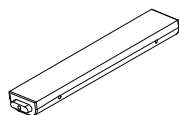

1 - right side frame

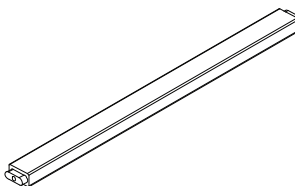

1 - seat back

1 - seat assembly

1 - short crossbar

1 - long crossbar

2 - wooden pegs

NOTE: Do not over tighten the bolts

**1**

A. With assistance, fit **left side frame** onto corresponding plugs of **seat assembly** and **long crossbar**. Using an **allen wrench**, secure assembly with 3 **medium bolts**. Do not over tighten the bolts.

B. Fit **left side frame** onto corresponding plug of **short crossbar**, and secure with 1 **large bolt**.

C. Repeat steps 1A-B for **right side frame**.

**2**

Position **seat back** and 2 **wood pegs** as shown and secure to assembly with 2 **large bolts**.

**3**

Carefully place assembly on its side and secure **seat back** to assembly with 2 **small bolts**.

Position unit upright.

Assembly is now complete.

## cleaning and care

Clean surfaces with a dry or damp soft cloth. Do not use abrasive cleaners. Periodically tighten bolts as necessary.

Wood is a living material that continues to respond to climate conditions even after being made into a piece of furniture.

Under normal use, wood may crack slightly due to changes in moisture and temperature. Please note these cracks do not effect the structural integrity of the furniture.

Covers are recommended to use during inclement weather or when not in use to prolong the life of the product.
