assembly

1 Carefully remove all components from box and remove all plastic coverings. Remove **lampshade** from **base** by turning **socket ring** counter-clockwise.

2 Position **lampshade** as shown. Attach **lampshade** to **base** and secure by turning **socket ring** clockwise.

cleaning & care

Do not use polishes or cleaners on your lamp. Dust surfaces with a dry soft cloth.

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to override this safety feature.
