cleaning & care

Do not use polishes or cleaners on your lamp. Dust surfaces with a dry soft cloth.

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to override this safety feature. Never use with an extension cord unless plug can be fully inserted.
