

CURVO 96.5" SOFA IN NOMAD SNOW FABRIC

DETAILS

A goop classic, as Gwyneth Paltrow says: "It's a nod to Italian midcentury designs by way of its fluid lines." The undeniably elegant form doesn't sacrifice on comfort, either: enveloped in a softly textured and durable fabric, its soft crescent shape perches on champagne-finish legs for a light, loungey look. Well-scaled for apartment living. CB2 exclusive.

- Designed by goop exclusively for CB2
- Frame constructed of engineered wood certified sustainable by the Forest Stewardship Council®
- Hand-pulled sinuous wire spring suspension ensures a comfortable and supportive sit
- Stainless steel legs with polished champagne finish
